

Peter Christensen Health Center
129 Old Abe Road
Lac du Flambeau, WI 54538
Phone: 715-588-3371

Peter Christensen Health Center
would like to encourage PCHC patients and LDF community
members to receive a flu shot if they have not done so already.

PCHC currently has doses for both
children 6 months of age and older and adults.

Flu shots are available during Friday morning COVID-19
vaccination clinics, currently 9:00am-11:30am in the Bev Bauman
Community Room. Individuals may also call PCHC at 715-588-3371
and schedule a nurse visit to receive a flu shot.

**With the following message sent out from the
Wisconsin Department of Health Services,
it is never too late or “out of season”
to receive a flu shot.**

DHS Confirms Three Pediatric Influenza-Associated Deaths

*This message is being sent to local public health officers, Tribal health
directors, and key DPH staff.*
