

PETER CHRISTENSEN HEALTH CENTER
Optical Department
For Immediate Release – September 12, 2024

As of Monday, September 16, 2024, due to staffing shortage at this time, the Peter Christensen Health Center Optical department will **not be accepting NEW patients except** Tribal, direct care, or who carry the Tribal Auxiant plan for vision.

Patients who are not in these categories and are scheduled prior to September 16th, will still be seen.

Therefore, PCHC Optical will not be accepting any NEW patients carrying any other insurance.

We apologize for this inconvenience but are trying to ensure we deliver the best quality of care possible given the staffing availability. Should this change in the near future, we will update our patients and the community. Thank you for your patience and understanding.

#####

If you have any questions or concerns, please contact PCHC at 715-588-3371 and ask for the Optical Department or the Clinical Manager.
