

# PCHC Welcomes Registered Dietitian ~ Diane Johnson, RD, CDCES!

PCHC is proud to announce the Nutritional Services of Diane Johnson, RD, CDCES, NBC-HWC! Diane is a registered Dietitian and will be offering remote-telehealth nutrition services through our Community Health Department.

Diane has over 20 years' experience in helping individuals pursue healthy, purposeful lives based on lifestyle changes and nutrition therapy services. She is also experienced and certified in delivering whole person approaches to diabetes care and management.

When Diane is not coaching, she is chasing the sun with her husband and furbaby ~ enjoying the outdoors kayaking, biking, paddle boarding, hiking and camping.
